**STATEMENT OF SUBSTANCE OF INTERVIEW**

Sir:

On March 25, 2008, a telephonic interview was held with Examiners Keehn and Lee representing the Office and Attorney Hunter E. Webb representing Applicants. On March 28, 2008, the Office mailed its Interview Summary. Applicants respectfully submit the following statement:

During the interview, the rejection of claims 1-32 in light of Clohessy in view of, in some cases, various other references, was discussed. An amendment that amended claims 1, 10, 16 and 25 had been submitted previously by Applicants on March 12, 2008. Applicants explained certain concepts of the invention, including the resolving of prerequisite bundles at the client

device and the recursive nature of the resolving. The Examiner agreed with Applicants' representatives that claims 1, 10, 16 and 25 have elements that are not included in the cited references.

Applicants respectfully submit that all claims are in condition for allowance. Should the Examiner require anything further to place the application in better condition for allowance, the Examiner is invited to contact Applicants' undersigned representative at the number listed below.

Respectfully submitted,

/Hunter E. Webb/
